Dear Gil Eng:

NOTIFICATION OF QUALITY ASSURANCE ROV AUDIT RESULTS

This letter is to inform **Internet Security Systems a wholly owned IBM Company** that your submission of the **Minor Change Report Submission** dated **6/6/2011 12:00:00 AM** regarding **Monetra with CardShield, 7** has been reviewed by the PCI Security Standards Council (the Council) Quality Assurance Program and received a grade of PASS.

MainStreet Softworks will be notified separately by the Council that they may proceed with the listing process for their payment application. This letter does not represent an endorsement of the product but rather validation that the minimum requirements for documentation have been met.

Please feel free to contact the PA-DSS Program Manager with any questions you may have about this process.

Sincerely,

Quality Assurance Team
